

# WEEKLY NEWS

JANUARY 8, 2021

## OUR MISSION:

SACRED HEART SCHOOL PROVIDES A STRONG ACADEMIC COMMUNITY, CENTERED AROUND THE CATHOLIC FAITH, RESPECTING THE UNIQUENESS OF EACH INDIVIDUAL, AND PROMOTING A LIFE-LONG LOVE OF LEARNING.

## Report Cards

Report cards for students in grades K-6 will be sent home on Monday, January 11. Please sign and return the report card. Teachers will then send a copy home for you to keep.

## Server Training

There will be server training at St. Charles on Saturday, January 9, from 2:30-3:30. This is for any current servers or students in grades 4 and up that wish to serve at any church in our Pastorate. If you cannot this training, please contact either Pastorate office. This training will be needed for students who wish to serve here during the week.

**Catholic Schools Week is coming!!!** We will celebrate Catholic Schools Week during the week of January 31-February 5. More details will be coming!

## Water Bottles

Don't forget to send a water bottle with your child every day. We do have some water for those who occasionally forget, but we have been giving out several each day for the past week.

## 2-Hour Delays

BCSC will have two-hour delays on January 11 and January 27. Sacred Heart will not participate in those delays in January, we will begin on time on those days. BSCS plans to continue to have 2 two-hour delays during each month for the remainder of the school year. I will keep you informed of those dates.

### Athletics

Game schedules for the rest of the basketball seasons were passed out today. We have also passed out a worker's schedule for our remaining home games. If your son or daughter is playing basketball, please ask him/her for the schedule. 😊

For Monday's game at St. Augustine (5<sup>th</sup> grade girls and 5<sup>th</sup> grade boys), we are only allowed 10 spectators per game. The coaches have the tickets for our spectators. The principal of St. A is working to get live streaming set up for those who can't attend. As soon as I get that information, I will send it on to you.

### AR Goals

We have begun the 3<sup>rd</sup> quarter and all students in grades K-6 have their new AR goals. We might not be able to take an AR trip at the end of the year, but I would still like to do something at school for those who have met their goals. The teachers and I will continue to discuss this. As a reminder, to be eligible, students have to meet their AR goal each quarter or "make up" the points if they did not meet a goal one quarter. Encourage/help your student to get started now and meet their goal early!! 😊

### Open House

Look for more information next week about a date for our Open House for the 2021-2022 school year. This Open House will be for preschool/preK sign ups as well as families with students in grades K-6. Is there a family that you know that you could invite or bring to the Open House to show them more about our school? We would love to be able to show more people our wonderful school!

Intent to return forms for our current families will be coming home the week of the 18<sup>th</sup>. We will also send home preschool/prek sign ups for current students as well as children from families who currently have students at Sacred Heart. We will open enrollment at our Open House for everyone else.
