### Open House

Our Open House is on Sunday, January 23, from 1:00-2:30. This is for new families who would like to sign their children up for Preschool/Prek and for K-6 families. Current families who have students who will be in Preschool/Prek for the 22-23 school year are welcome to come if they wish. We invite any families with a student who will be in kindergarten to come as well. Please share the information about our Open House with any families that you think might be interested in learning more about our school. I have attached a copy of the flier to the email.

### Tuition

Thank you to everyone who has sent in their tuition. We did send out statements to let families know if tuition is still due.

### After School Program Snacks

Please remember that all after School program snacks need to be peanut free. Thank you for helping to monitor this!

### School Board Update

Building and Maintenance  
Addison Bowman & Beth Owens

Over Christmas break there were many improvements made at the school. New shades were installed in the gym, new ceiling tiles and lights were installed in the hallways, and several plumbing issues are being worked on. .

There are many people to thank for all their hard work during those two weeks.

The people at Bouma Betten (ceiling tile replacement), Brouillette Heating/Cooling and Plumbing, MacAllister Rentals (articulating lift donation), and Lafayette Venetian Blinds.

There were many friends and families who gave their time and talents also: Kristy Gross, Cory Dowell, Peggy Barnard, Tommy Winchester, Mariah Datzman, Brady McKinney, Brad McKinney, Bryce Henschel, Tom Gretencord, Travis Krug, Vic and Michele Brouillette, the generous ladies of the Sacred Heart Sewing group, St. Anne Society and most of all Rose Hedrick.

Because of her very generous donation, her kindness helped kick start many needed improvements.

We have only just begun and we need your time and talents. Please contact one of us if you would like to use your talents to help improve our facility.
